Mr Kenneth Gordon
Chairman
The Integrity Commission of Trinidad & Tobago
3rd & 4th Floors, UTC Financial Centre
82 Independence Square
Port of Spain

Dear Mr Gordon,

We write to bring to the Commission's attention an affidavit (enclosed) provided to us by Mr. Lasana Liburd. It is Mr. Richard Groden's (General Secretary of the Trinidad Football Federation) account of the events that transpired during Mr Bin Hammam's visit to Trinidad & Tobago as it relates to the alleged USD\$40,000 paid to various football bodies in the region.

In section 17 of the affidavit, Mr Groden states that he handed the envelope containing the USD\$40,000 to Mr. Warner at his (Mr Warner's) Government office.

We respectfully request that the Commission urgently launches an investigation into this matter.

Sincerely,

Kirk Waithe
